

EuroHockey Masters

Information Sheet 4

WELCOME

Many thanks to those teams who paid their entry fees by the requested date of 31 January

Some teams have requested further time to confirm entry and send payment. To assist these teams we have extended the deadline to 28 February.

The match schedule will be issued by 15 March. Any amendments to the schedule after this date, eg where teams wish to submit a late entry, will only be made where there is minimal impact for participants.

Chair of the Organising Committee
