

World Masters Hockey

Greetings everyone,

WMH is pleased to announce that the postponed World Cup 2020 tournaments 2 & 3 incorporating the O45 – O55 men, and O45 – O65 women, as well as the Spirit of Masters for those age groups, will now be held in Cape Town from September 18 – 27, 2021. September. 27 will feature the finals and the Closing Ceremony.

We are delighted to have been able to secure these alternative dates so quickly, however it may mean some alternative playing venues will need to be lined up. At this time we do not have details about the alternative venues but we can assure you that if you have paid your registration fees, you will be guaranteed entry into the relevant tournament. Those of you who are not able to pay by the extended deadline of April 25, can either choose to pay £300 to join the waiting list or can choose to do nothing at this stage. The waiting list will operate on a first come, first served basis and we will notify you in due course if there is space available for your team(s). If you choose to do nothing at this stage then we will let you know in early 2021 if there are spaces available for any of your teams.

Additionally, please note that the local organizing committee will contact their list of preferred accommodation providers and are confident that those hotels will comply with our request to roll over any deposits already made to the 2021 dates, and that they will re-adjust their payment schedule to align with the 2021 tournament dates so therefore no additional payments are required any time soon.

WMH looks forward to seeing you all in Cape Town in September 2021 and wishes you good health and good hockey as soon as possible.

Regards,
WMH Executive Board
12th April 2020
