

To the hockey Friends .

Dear Friends, the 2020 it's the year for another great tournament in Bra under the aegis of the Italian Federation, we decided to make it in memory of two important master players of the Club of Bra, Umberto and Vanni Ometto who died in the last years, two brothers belonging from a Family dedicated to hockey, one of each was also President of our club for many years and they were also players in first team when our Club won his first Italian National Championship in 1974. 2020 is also the 1000 years of the first official document talking about the town of Bra, probably the town had already existed for many years but the oldest official document found is from 1020.
