HOW TO FIND RC POLO

Real Club de Polo de Barcelona, the host of the WGMA World Cup, is located in the north of the city and it has several connections with public transport that make it very easy to reach it from anywhere in Barcelona. The Line 9 (Orange) of Barcelona Metro connects directly the Club (Zona Universitària station) and the airport in 30 minutes. Also the Line 3 (Green) connects RC Polo with all tourist spots (Ramblas, Passeig de Gràcia, Plaça Catalunya, Port, Gràcia district, etc) and Sants and Plaça Espanya main train stations. Zona Universitària metro station is only 50 metres away from the Club.

There are also some buses that take to RC Polo from the city center and a tram (light train) line that goes to Plaça Francesc Macià, an important financial and shopping area.

From RC Polo it's also easy to reach Castelldefels pitch by train or bus. From Sants station (Metro Line 3) three different lines take to Castelldefels town. The fastest one only takes 17 minutes.

Very close to RC Polo, line L97 of Bus takes to Castelldefels in 35 minutes. From Barcelona downtown (Plaça Catalunya) line L95 also connects with Castelldefels by the seaside. This is the slowest option.
