

ISVT 2018: what about a change of dates?: MAY 4TH, 5TH AND 6TH 2018

Dear friends in hockey,

October 2017

Our **2nd INTERNATIONAL SUPER VETERANS TOURNAMENT HC TILBURG 2017** has been a huge succes, thanks to your enthusiastic participation and cooperation.

As already stated in our farewell speech and newsletters, our 3rd Tournament was scheduled to take place again next year 2018, **June 22nd, 23rd and 24th**.

As you all know the official World Cup will be staged this same period (**June 21st – July 1st 2018**) in Barcelona (Spain). This would obviously mean that the first line teams will participate in this World Cup. Those teams should have submitted their subscription before September 30rd 2017.

Touring Teams however could only enter one team in each age group, so we were happy to receive confirmation from a number of teams to note their subscription for our Tournament. In the meantime our Chair Gilbert has tried to encourage participation with as many teams as possible.

Seen in that light and in recognition of that fact we have worked out a proposal based on this situation. We would like to add to the Ladies tournament an Over 50's and to the Men's tournament an Over 55's category. In that way the Tournament wil still cover three days.

In the meantime we considered that a **reflection of dates** is still possible and so the organizing committee decided to come up with the following dates: **May 4th, 5th and 6th 2018**. We would be very much obliged to have your appreciation on this new set of dates, in order to let us have the pleasure to have confirmation of your participation on

May 4th, 5th and 6th 2018.

Please could we have your provisional registration before **November 8th**?

As always: "The HC Tilburg is at your service"!

Our best regards,

Gilbert Leene (Chair)
Pamela Bosch (Honorary Secretary)
Bernard Verbunt (Liaison and PR)
and the ISVT Team
