

Nanda Siebers

It is with great sorrow WGMA learnt of the demise, on July 12, of Nanda Siebers. She was a great contributor to WGMA and was very instrumental in creating a WGMA spirit within women's Grand Masters hockey. In December 2014 Nanda Siebers was elected to the WGMA Board as a Vice President, to serve in office until the next WGMA Congress in Newcastle, Australia in May 2016. She was Member of Honour, both of the Dutch Ladies O55 and of her own hockey club "MHV Maarssen".
