

## Tribute to Mike McInally

WGMA is very saddened to learn of the loss of one of the great characters of the masters hockey world, Mike McInally. Promoting and encouraging masters hockey in Scotland and worldwide, Mike was President of Scottish Thistles Masters HC and a driving force in setting up the club for both men and women. He instigated and organised an excellent Thistles hockey festival held in Dundee in August 2021 and continued to run it annually till he had to withdraw in 2024 due to illness. He played for, and was a keen supporter, of Alliance before becoming a member of Thistles. We send our deepest sympathy to his family and friends.
